August 2016

*From our Executive  
Vice President*

It seems like we were just enjoying the official start of the summer season with Memorial Day weekend. Yet, here we are, just a week away from Labor Day. It's hard to remember a more "summery" summer. We've enjoyed a steady stream of hot days and warm nights along with Lake Michigan temperatures that were inviting. We trust you have had meaningful times with friends and family, and have enjoyed a Shorewood sunrise or sunset along the way.

## Annual Meeting This Saturday

With coffee and connections with others at 9:30 a.m....and business items at 10:00 a.m. at Harbert Community Church in their fellowship hall, less than a mile south on Three Oaks Road.

### Important association items:

- Reports from all officers and committee chairs
- Recognition of new residents and families of loss this year
- Budget proposed for the new year
- Election-ratification of officers for the next two-year term (See officer list on this newsletter, as each is willing to serve again and no others applied for the job.)

Back in May, we wondered how we would navigate the challenges of erosion at North and Middle Beach. By all accounts, those beaches gradually became a little more accessible with the help of those with the adventurous spirit and some mountain climbing skill. For those who made South Beach their regular access, there was plenty of real estate for all to enjoy. New improvements and parking signage at South Beach have enabled a more efficient use of the available space. Thank you for being thoughtful and responsible as you park.

There are just two more opportunities to join us for the Friday night South Beach deck sunset watches. This is a come-as-you-are, drop-in, bring-your-own-beverage event. Join us Friday, August 26, and Saturday, September 3. Come and enjoy a fine sunset and wonderful people! Everyone is welcome!

See you at the Annual Meeting on August 27.
