Subject: Shorewood Sands - October 2016

Date: Fri, Oct 14, 2016 5:02 pm

Important news and information from Shorewood Hills.

October Fest, This Saturday

2:00-5:00 pm at Watermark in Stevensville, a new place for our social gatherings. No program, just connections of social fun and getting to know each other. Stop in any time! Cash bar, chips, famous cheese sandwiches, people! Email to sign up with Noreen at nmrwessn@sbcglobal.net.

If we had a Halloween contest...

No question, the Dan and Maureen Toomey home would take the prize, on Tower Hill Road. Check it out!

Our Chicago marathoner

Congratulations to Robin Carlson, who ran to benefit a World Vision project for water for a village in Africa -- one of over 40,000 runners to do the 26.2 miles!

The wonderful paths closeby

The three main paths to our beaches, in the fall and winter too.... The marked trails through the conserved woods across the road from our main entrance, longer than you think, and with tree descriptions and rock markers.... The many at-first hidden trails in Michigan's most popular state park, right next door; connecting to six major "blowouts" (everyone knows the main one behind the big parking lot).... The Jens Jensen marked trail through 23 acres of Chikaming Open Lands' newest preserve -- like the others, great for bird-watching, hiking, and cross-country skiing. All there for us!

From your first vice president...

***Shorewood Hills,
how do I love thee?***

Let me count the ways.

I love thee for the sights and sounds
and beauty of your landscapes,
thy hills of sand and trees,

the deer and birds that
call thee home.

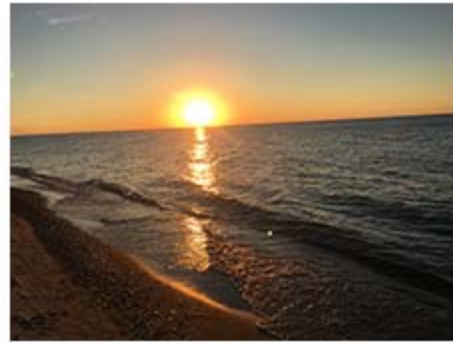

I love thee for your lake,
its power and pleasure,
its size and proximity.

I love thee for your people,
varied in background and
style, convictions and ways,
but united in desire
for this to be a place of peace
and friendship,
joy and acceptance.

I love thee for the unity
of acceptance of policies,
designed to govern us
with sense and common good.

I thank our God for thee,
Shorewood Hills.

*Gratefully,
Knutte Larson*
